STATEMENT OF OBJECTS AND REASONS

The object of this Bill is to set up a Reserve Bank for India. The Federal Structure Sub-Committee of the first Round Table Conference recommended that "with a view to ensuring confidence in the Indian management of Indian credit and currency..... efforts should be made to establish on sure foundations and free from any political influence, as early as may be found possible, a Reserve Bank, which will be entrusted with the management of the currency and exchange". The Financial Safeguards Committee of the third Round Table Conference recommended "that steps should be taken to introduce into the Indian Legislature a Reserve Bank Bill conceived on the above lines as soon as possible". In the report of that Committee it was also placed on record that "the Secretary of State undertook that representative Indian opinion would be consulted in the preparation of proposals for the establishment of the Reserve Bank including those relating to the reserves".

2. A representative Committee was set up in order to give effect to that undertaking and a copy of its report is attached as an annexure. The present Bill is drafted in accordance with the recommendations of that Committee.

GEORGE SCHUSTER.
